### 3. Petroleum Exploration Licences

*A Petroleum Exploration Licence vests in the holder the exclusive right of carrying out exploration for petroleum in the licensed area.*

**Twenty eight** Exploration Licences were current during the reporting period. These licences were subject to the 1992 Licensing Terms for Offshore Oil and Gas Exploration and Development.

A **Standard Exploration Licence** is issued for a period of six years in respect of an area with water depths up to 200 metres and is subject to an annual rental fee of £132 per sq. km. If acreage is surrendered at the end of the 4th year the annual rental fee rises to £264 per sq. km.

A **Deepwater Exploration Licence** is issued for a period of twelve years in respect of areas in which the water depth exceeds 200 metres and is subject to annual rental fees of £66 per sq. km. If acreage is surrendered at the end of the 4th year annual rental fees rise to £132 per sq. km. and at the end of the 7th year to £264 per sq. km.

A **Frontier Exploration Licence** may be issued in respect of an area with special difficulties related to physical environment, geology or technology where such area is specified and announced by the Minister for the Marine and Natural Resources as a 'Frontier Area'. This licence type is valid for a period of not less than 15 years, comprising a maximum of four phases. Annual rental during the first phase is £22 per sq. km, during the second and subsequent phases £44 per sq. km. If acreage is surrendered at the end of the second or third phase annual rental fees rise to £88 per sq. km.

The 1992 terms also provide for an application fee of £6,580 in each case.
